MIND-EXPANSION

NHS — A Service Organization

The National Honor Society began a successful year with the induction of 75 new members (66 juniors and 9 seniors). Members to the society are selected from the recommendations of the faculty on the basis of scholarship, service, leadership, and character. In order to remain a member, a B average must be maintained. The NHS initiated the Campus Beautification Day and, among other services, ushered at graduation.

SPEAKING AT THE NHS induction was Rabbi Goldstein. The title of his talk was "Success."

School Spirit Soars During Homecoming Week

Happy Homecoming

Homecoming Week proved to be one of the best aspects of football season. In spite of a losing year, spirit turned out to be fantastic. Homecoming activities were planned by a special committee in congress. Monday, Nov. 5, 1973, began the events for the week with Uniform Day; Tuesday was clown and Kiddy Day; Wednesday, Goatroper Day, Thursday 1950's Day, and Friday climaxed the week with students dressed in colorful maroon and gold, topped with Crazy Hat Day.

"Company Of Wayward Saints"

Thomas Jefferson's spectacular UIL One-Act Play, "A COMPANY OF WAYWARD SAINTS," performed twice at assembly, delighting everyone who was in attendance. At district competition, "COMPANY" won first place, receiving the most individual awards. District winners were: Best Actor, Richard Fletcher; Best Actress, Peggy Covington; All Star Cast, Mark Dore and Chuck Weatherall.

"COMPANY" also conquered the Area II competition, gaining a berth in the Region III finals. Award winners were: Peggy Covington, All-Star Cast; Faye Fulton, Best Actress.

Award winners at the Region III competition were: Faye Fulton, All-Star Cast; Peggy Covington, Honorable Mention.

The play is the story of a poor company trying to reach home by any means of assistance. The situation is unfolded when a rich contributor will give them the money, provided they play "The History of Man."

The play offered superior variety through a mixture of both comedy and drama.

Many months of rehearsal went into making "COMPANY" such the fantastic play that it was. Special recognition goes to Billy Jones, drama instructor for Thomas Jefferson, and to Mark Robinson, student director. Crew consisted of Charlie Ware, sound; Mark Robinson, lights; and JoAnn Brannon, spotlight. Costume designer and manufacturer was Carol Dillo.

MARRIAGE: Columbine (Peggy Covington) and Pantalone (Richard Fletcher) learn how amazingly similar two opposite people can really be.

ADOLESCENCE: Scapino (Chuck Weatherall) remains undaunted by Ruffiana's (Faye Fulton) attempts to persuade him to kiss her.

Take Victories At UIL

ADAM AND EVE: Tristano (Tom Spencer) points out to Isabella (Maeve Bergeron) the Garden of Eden while Scapino the Serpent (Chuck Weatherall) looks on.

BIRTH: Dottore the Doctor (Gregg Walther) tells Tristne (Tom Spencer) of the wonders revealed in the miracle of birth.

DEATH: Harlequin the Priest (Mark Dore) and Capitano (Arthur Paul) are locked in fierce debate over why Capitano should take to the priesthood.

The Company almost succeeds in knocking Harlequin (Mark Dore) off the stage during introductions.

The Red Hussar Drum and Bugle Corps completed their forty-first season. The corps has been under the leadership of Miss Dorothy Day for the past nine years but will appear this fall under the sponsorship of Miss Rhonda Gilliam.

Hussar practice begins immediately after installation and continues through the summer and the school year. Being a Hussar takes many hours of hard practice, but giving thrilling performances makes it all worthwhile. The corps instills enthusiasm into crowds at pep rallies, football games and parades.

And Gold Band Fresh Outlook

A whistle, a fanfare and the Maroon and Gold Band is off for its 53rd season. During marching season, the Band and the Swingsters spent many long hours practicing new drills and maneuvers for the weekly show. The Swingsters, with the aid of choreographer, Mrs. Sherri Commander, performed unique and exciting shows weekly. Their high kicks and numerous formations gave variety to every football show. The Band participated in UIL Marching Contest for the first time in many

years, receiving a second division.

At UIL Concert Contest the Symphonic Band, under the direction of Mr. Herb Germer, received a second division in Concert and a first division in Sight Reading. The Concert Band is directed by Mr. Howard Hutchinson. They received a third division in Sight Reading and a third division in Concert. Both Bands performed at the annual Band Revue. The Band ended its 53rd historic season by performing at graduation.

Congress '73-'74

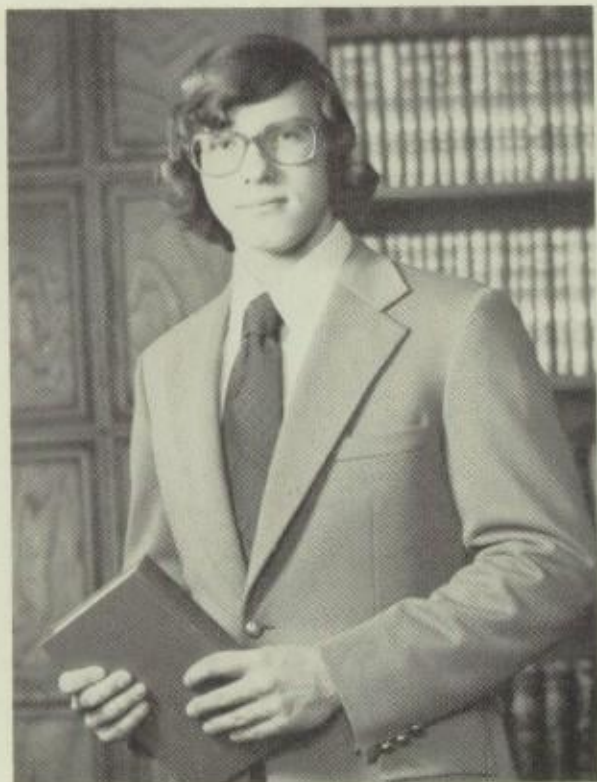

The 1973-74 Student Body Congress under the able first-year sponsorship of Mr. Robert Kindell dealt with several contemporary problems.

To insure the maximum effort of the student body in joining the country in overcoming the energy crisis, congress established an energy conservation committee to suggest ways students could make their contribution. The committee suggested carpooling, bike days, and the diminishing of use of many of the lights in our building.

In addition to the energy conservation committee, congress offered a course in parliamentary procedure through Ms. Frances White. The course proved very helpful to those that attended. This year, as any year, congress strove to fulfill the wishes of the student body through the individual congressmen, representing the homeroom.

EBBTIDE Puts Emphasis

EBBTIDE is Thomas Jefferson's literary art magazine, written, compiled, edited and published solely by the student body each year. Contributions of poetry, prose, music, and art are accepted from students of all levels and are prepared for publication by an editorial staff of seniors and juniors. The juniors are chosen by taking an examination prepared by the senior staff members and if chosen they become staff members for both junior and senior years. In addition to the editorial staff, a business staff and art staff are chosen.

EBBTIDE has been a constant winner of the Columbia Scholastic Press Award for outstanding school publications.

Yellow Jacket Takes New

THE YELLOW JACKET takes a new direction each year as times and life styles change. This 27th edition has been edited to reflect many of the significant trends of the current term.

Although there has been no hard-and-fast pattern, the staff has had the word "Concern" in mind as a theme, and many of the events pictured have been chosen to show our concerns.

Finances are always important in the life of a yearbook, and the present one is a success with approximately 1200 copies sold.

Editors Joi Beall and Wilfred Thompson, Jr. have been general managers of the '74 book from planning to finished product.

"This book has enjoyed good leadership from editors and staff," commented Mrs. Mike Redman, sponsor.

Business staff members include Tina Cricchio, Kathy Huebel, and Patti Redman.

Direction In Changing Times

Keeping up with special events in the Senior Class and recording these happenings was the work of the Senior staff. Included are Mark Dore, assistant editor, Craig Castille, Carolyn Washington, Carmen Phillips, editor, and Cathy Gardner.

Mark Knowles and George Elizondo prepared the advertising section.

Staff workers included Jennifer Joubert, Stacey Weyman, Shela Reeder, Dale Jennings, and Debbie English.

Provides Publication Experience

Participation assignments probably draw the largest staff. They include (standing) Keith Forster, Kim Holeyina, Victor Guidry, and Carolyn Washington. Seated are Tanya Eidom, Joanna Wiggins, Laura Hansen, editor, and Kayla Theriot.

Mind-expansion awards are presented in a new fashion, the section planned by Donna Follet.

Carol Reed and Joseph Lavergne complete plans for the Establishment section.

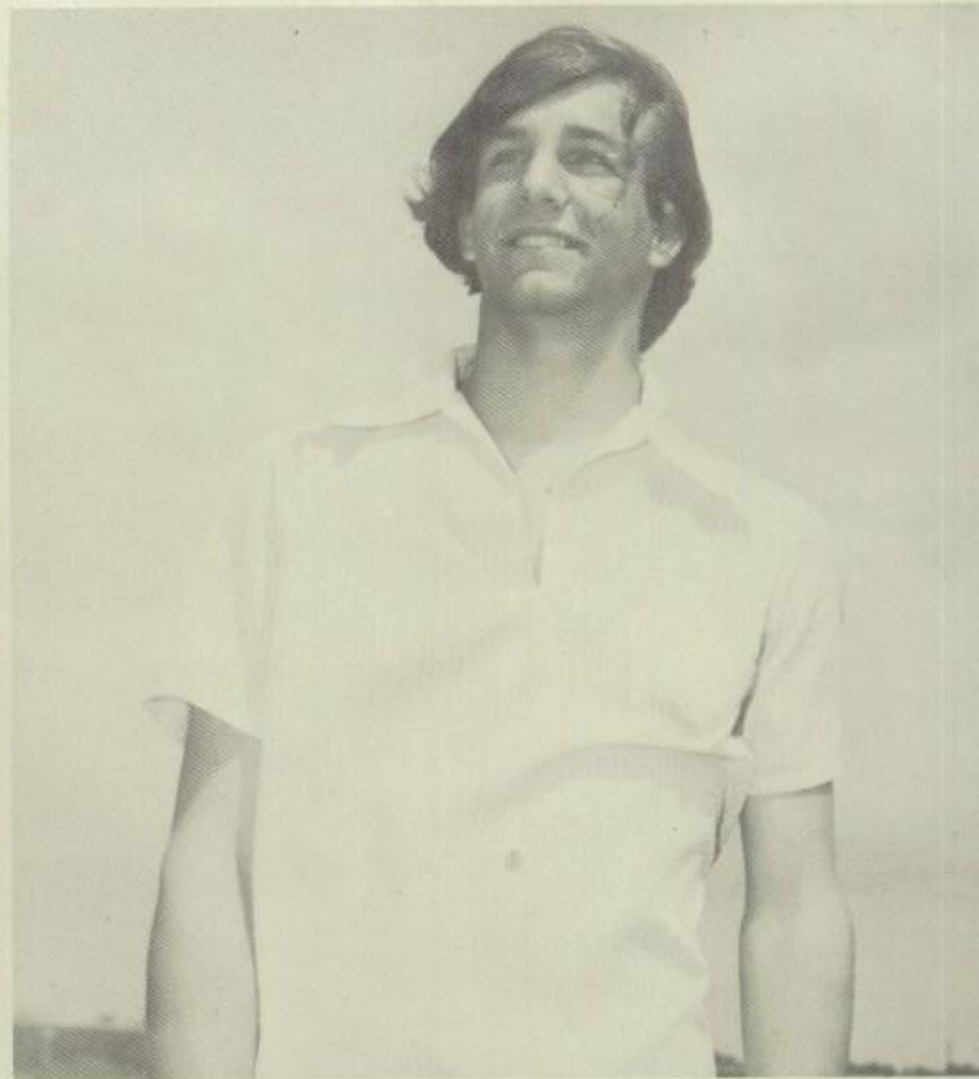

Julie Weldon and Martha Thomas look forward to seeing the completed book, especially the cover designed by Julie.

Still Other Staffers Gain

Sophomore staff includes Sheryl Rizzo, Susan Huhn, and Suzanne Ledet, editor.

Rodney Gremillion planned the sports section and became an assistant editor.

Annual staffers included Muriel Polk, Donna Hebert, Marsha Zumo, Kelly Brown, Debbie English.

Tina Aleman was class editor, and she planned the publications section.

From Yearbook Experience

Past volumes of the annual are fun to look at as Lora Levine, Tim Brown, and Randy Venable demonstrate.

Irben Leveige demonstrates how to draw a layout. Juliette LeBlanc and Yolanda Jackson watch with critical eyes.

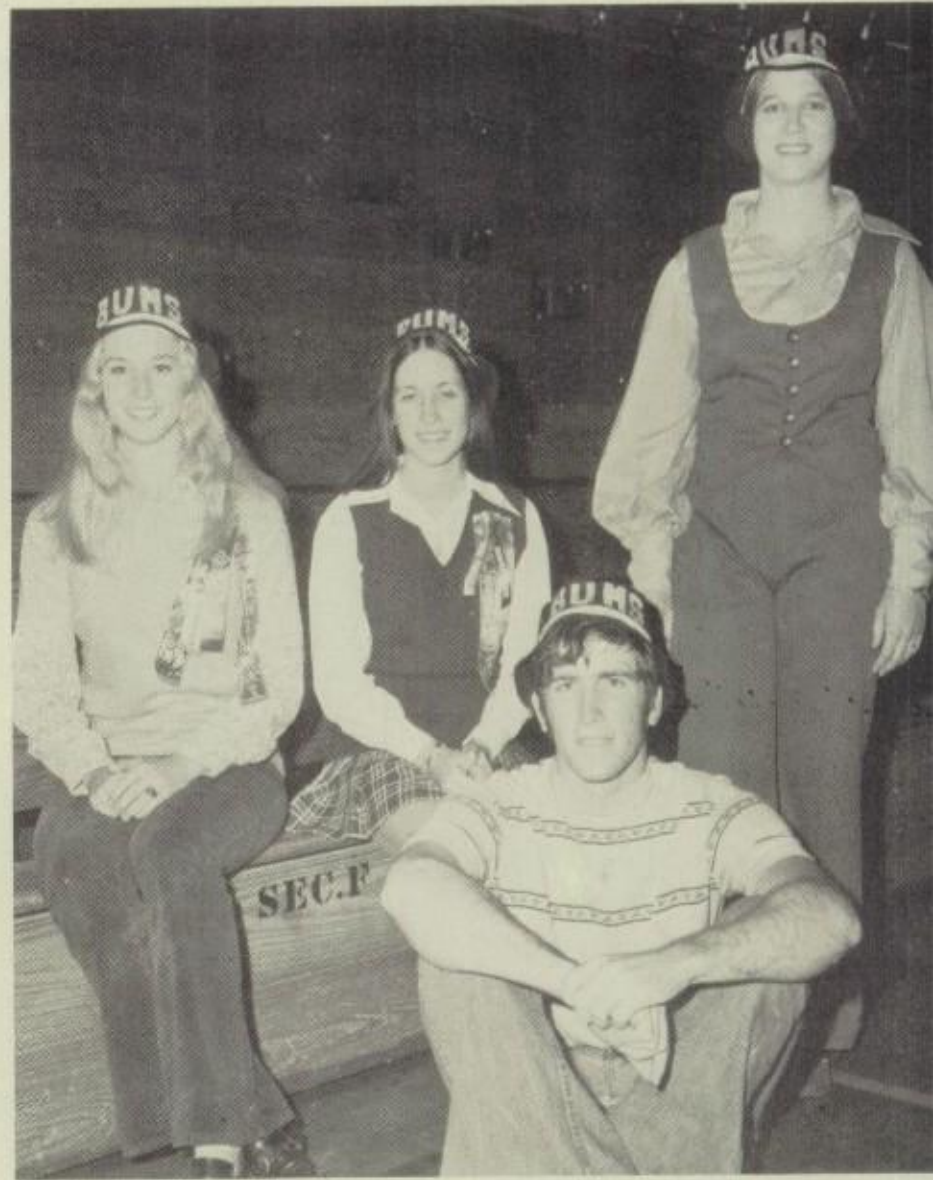

Terri LeBlanc and Terry Ransonette planned the section depicting girls sports, called Competition in this volume.

Bleacher Bums Boost School Spirit

The 1973-1974 Bleacher Bums donated their Tuesdays and 50 cents to show their school spirit, and they attended all the games, going to out of town games on buses chartered by parents. The Bums not only supported the Jackets at football games but went to the basketball games and backed the Jack-ets. The Bleacher Bums were organized three years ago to promote school spirit. The club is constantly increasing in membership from year to year. This year the sponsor for the Bleacher Bums is Mrs. Westbrook.

Fair Weather Friends Alert

The Astronomy Club has concluded another year of star-gazing. Meetings were held every other Tuesday to discuss topics such as the crab nebula, meteors, sun-star colors, and Mr. Tolar presented a special slide show on the expanding universe. One of the projects this year was the construction of a planetarium for the club's use.

Due to the gas shortage, the club could not take their annual field trip to the Houston Planetarium. Since the viewing weather leaves much to be desired here, the Fair Weather Friends, a telephone committee, was formed and it was successful in alerting members of the unexpected partial lunar eclipse in December. Sponsors are Mr. Billy Tolar and Mr. Harry Rogan. James Emmons served as president, Peggy Covington as secretary, and Patti McRee as treasurer.

A Change In Attitude Puts Responsibility On DE Students

Members of Distributive Education earn high school credit while gaining important business experience at the same time. After attending school for a half of day, D.E. students are employed by various area merchants. Their jobs range anywhere from clerking in a store, to cosmetician or even to handling money in the bank. Both Chapters held responsibility to their jobs as well as representing their school. The classes were involved with studying and planning the year's activities. Sponsors Mrs. Thelma Cotton, Mr. James Holloman and Mr. Stephens helped carry out the functions of DECA throughout the year.

Memorable events of the year included a Halloween Party, decorating the Christmas Tree for the cafeteria, and the annual Christmas Party. The year also included bringing pleasant surroundings of joy and presents to Cresthaven Home for the Oldfolk. The Employers Banquet was DECA's biggest, most successful project. Students enjoyed the guest speaker and being relaxed with the company of their bosses. The evening was enjoyable with student entertainment and the close of a wonderful year.

FTA — A Service

Under the leadership of Mr. Phillip Dodd (FTA) and Mrs. Laura Hathaway (SEE), the '73-74 school year proved successful for FTA. SEE was once again proclaimed "Best Service Project" at the state convention although club members were not able to attend due to the energy crisis. Also, a scrapbook compiled by Alice Arriola was "really heavy" (thirty-five pounds). FTA members won many awards at the district convention too.

RED CROSS YOUTH show their Christmas spirit.

Red Cross Youth has had a busy year. Two major changes were made. First, membership was made up of interested members rather than having one member from each homeroom designated as representatives. Second, the name Red Cross Youth was originated instead of the previous name — Junior Red Cross.

Decorating and bringing cheer to Crethaven Nursing Home and residents for Halloween, Thanksgiving, Christmas, Valentines and St. Patrick's Day was just one of the main projects sponsored. A Christmas tree was put in the foyer with toys for needy children under it bringing cheer. The year was ended by an Easter Party at Huguen School.

All Future Nurses Projects

Patients at St. Mary's hospital soon become acquainted with the many helpful services performed by Future Nurse Chapter at Thomas Jefferson. Whether it's a letter to mail, a temperature check or some other service needed, FNA members are on hand to be of assistance to nurses and patients. A collection of hours gives each Future Nurse an opportunity to travel to other cities and to visit medical Institutes. The usual spring tour of hospitals and Institutes was confined in the Beaumont area, because of the gasoline shortages. Approximately twenty-five members of the Future Nurse Chapter traveled to Beaumont on March twenty-ninth.

Jackets Drop Opener 22-0

For the first time since 1966 the Yellow Jackts lost their season opener. But the contest was much closer than the score indicated. Neither team could score in the first quarter. This was made possible when the brilliant Jacket defense put up a goalline stance. The Jackets then fell apart for three minutes. They allowed Lee to score 15 points. Halfway through the contest the score was 15-0. For the entire third quarter and most of the fourth quarter the overwhelming Jacket defense held Lee to a toal of 15-yards. The Generals then scored a late fourth quarter touch-down to make the final score 22-0. Jefferson could muster only 110-yards total offense, while Lee could get only 188-yards total offense.

Jackets Shut-out Again 26-0

The Mighty Jackets dropped their second game of the season to the Ganders of Baytown Lee. The Jacket offense produced only 8 first downs and 99-yards total offense. Lee had 21 first downs and a total of 318-yards. Behind the running of senior tailback Harris White and the receiving of senior wide-receiver Mark Boudreaux the Jackets crossed the Gander 20-yard line four times. But fumbles stopped the drives. A great performance on defense by senior cornerback Donald Theall, junior safety Mike Quintela, and junior linebacker Robert Collazo was not enough to stop the Ganders. Lee scored 3 touchdowns running, and 1 passing. The 4 touchdowns gave the Ganders a 26-0 victory.

Jacket Comeback Falls Short 17-14

The Jackets fourth quarter comeback fell just short, 17-14. With the score 17-6 the Jackets put together a 10-play 75-yard scoring drive to cut the lead to 17-14. This was on Donald Theall's 4-yard burst off left tackle and a 2-point conversion play by Billy Guidry. The Jackets then recovered an on-sides kick at the Eagle 43-yard line. With 2:43 left in the contest the Jackets went to work. Their first 3-plays netted a total of 18-yards. With only 0:57 left in the contest Donald Theall had a 20-yard touchdown run called back because of illegal procedure. The clock then ran out on the visitors. Other Jacket scoring was a run by Harris White for the first touchdown of the Yellow Jackets season.

Powerful Ball Blasts Jackets 31-0

The Golden Tornadoes of Galveston Ball showed why they are state ranked when they held TJ to only 77-yards total offense and compiled 376-yards total offense. Fumbles and interceptions caused the Jack-ets to fall apart and give up 10-points in the second quarter, making the score at the half 17-0. The mighty Jacket defense came to life and held Ball scoreless in the third quarter. Then they returned to their sloppy ways and allowed Ball to score 14-points, in making the final score 31-0.

Jackets open district play against state-ranked Lincoln. In a defense dominated first half the Bees were able to score only six points. In the third quarter the Jackets took the lead by the score 7-6. In the fourth quarter, a Kenny Washington touchdown pass broke the game wide open. The Jackets then began to fall apart. Washington was able to guide the Bees to two more touchdowns, making the final score 26-7. Coach Gene Sharp praised the efforts of the Jackets.

Stark Surprises Jackets 25-7

The Jackets put together their poorest showing in a season beset with many problems, as the Tigers of Orange Stark gave them their second straight district loss. The Jackets junior quarterback Mike Quintela could not get the offense moving as they had only 13-first downs and 183-yards total offense. The big play of the night was when senior wide-receiver Mark Boudreaux caught a 35-yard pass and was stopped on the 5-yard line. Quintela scored on the next play and junior John Saenz kicked the extra-point making the score 13-7 at the half. But the Jacket defense was unable to stop the Tiger offense in the second half. The Tigers walked away with a 25-7 victory.

Anthony McCullar, who caught 5 passes for 83-yards, caught his final pass, a 21-yard TD with 7:38 left in the third quarter. With a John Saenz conversion, the score was 14-0. With 6:43 left in the game, the Bulldogs came back with a touchdown drive, making the 14-7. Nederland then recovered a fumbled pass. The Bulldogs ran the ball in for a touchdown, with 2:06 remaining. The Yellow Jacket Booster

The Booster Club is a group of Yellow Jacket supporters, that have banded together to make more noise supporting the Jackets. They not only go to games to holler for the Jackets, they also do many things for the Jackets. They gave a ski party, watermelon party and an ice cream party for the football team. They gave a supper honoring the football team and the basketball team. They bought fifty pounds of catfish for the baseball team. The booster club plans different activities for the various major sports. They meet once a week in the cafeteria. The coaches bring the game film of the previous week's game and show it to them, explaining what was good and bad. The group is not prejudiced, they will allow any Jacket fan to join.

Freshmen Entertained For 'High Nines'

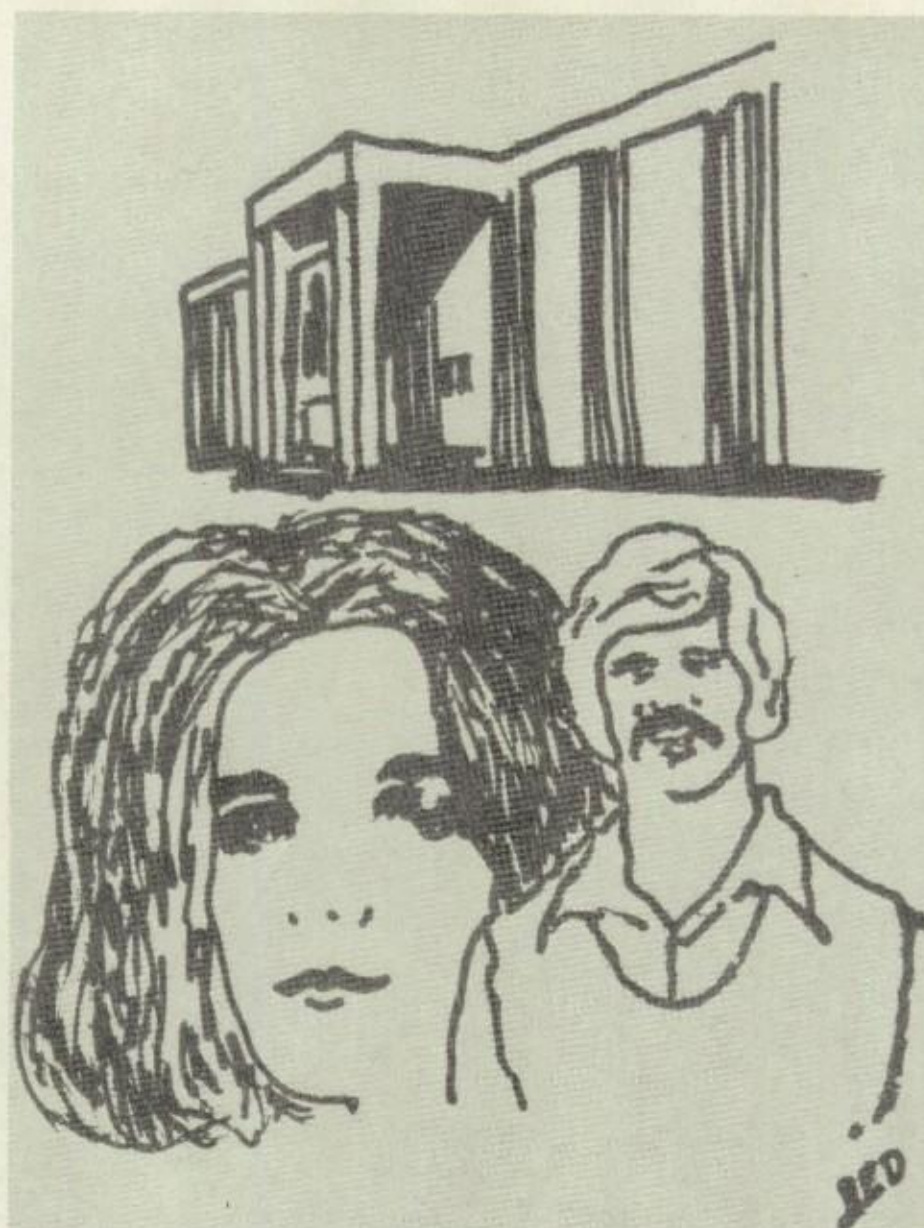

Although ninth graders are very much a minority, they celebrated becoming full-fledged senior high school students with a festive breakfast given by their mothers May 17.

Donuts, punch, checked clothing, all mixed with the feeling that school was at last over for the year, made the occasion a joyous one.
